

Flowlink is a component manufacturer dedicated to high purity and corrosive gases and solar applications :

- low and high pressure diaphragm and bellows valves,
- high temperature,
- multiways and customised manifolds,
- SS 316 L electropolished and other alloys.

Leaktightness : external metal sealed ( $1.10^{-10}$  atm.cm<sup>3</sup>/s range).

*Flowlink SA. conçoit et fabrique des vannes à membrane et à soufflet, destinées à :*

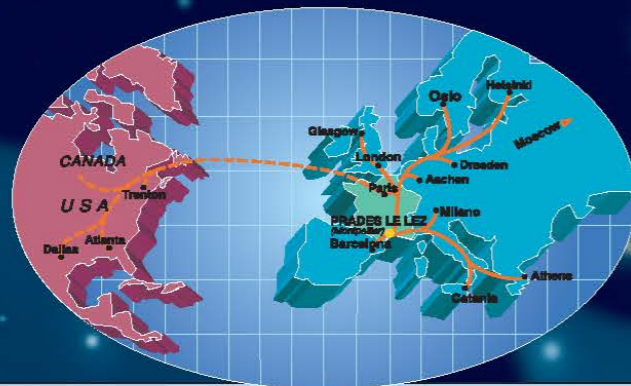

- *distribution de gaz ultra-purs, toxiques et corrosifs,*
- *applications solaires.*

*Flowlink propose des composants standards et spécifiques.*

### MANUFACTURING PROCESS

Flowlink manufacturing process ensures Quality products, individually assembled, mounted and tested under Class 100 Laminar flow hood in Clean Room.

**FLOWLINK S.A.**

164, Avenue des Baronnes, Z.A. Les Baronnes  
34730 PRADES LE LEZ - FRANCE

Phone : +33 (0)4 67 59 65 10 - Fax : 33 (0)4 67 59 65 11

## PARTNERSHIP THROUGH TECHNOLOGY

Flowlink S.A. follows the ISO 9002 Quality System.

### CUSTOM PRODUCTS

Through its partnership policy, FLOWLINK provides a customised product range : manifold blocks, organometallic bubbler valves, 2" check valves, multi-actuators and double envelope valves, high temperature components.

**VP 201 TT NF**  
Pneumatic bellows 1" valve, 1" ports with 1/4" VCR M purge port.

**MVT 414 TTTT SPECIAL**  
Quarter turn diaphragm 4/2 ways valve 1/4"

### COMPLETE VALVE RANGE

FLOWLINK proposes a full range of valves, from 1" to 1/4", Ra up to 0.1 µm, SS 316 L. Actuators, outlets and fittings comprehensive series. Diaphragm valves with very low dead volume.

**MVM 212 TT**  
Knob 2/2 ways diaphragm valve, 1/2" ports.

**MVM 238 MM**  
Knob 2/2 ways diaphragm valve 3/8" VCR M

**VT 314 MO C**  
Quarter turn bellows customised valve 3 outlet 1/4"

**MVP 214 MM NO**  
Pneumatic 2/2 ways diaphragm valve, VCR M

**FL 214 MM**  
Filter 0.22 µm

**MVT 214 MM**  
Quarter turn 2/2 ways diaphragm valve 1/4" VCR M

**MVM 214 MM**  
Knob 2/2 ways diaphragm valve 1/4" VCR M

**VP HP 414 MO C NF**  
Pneumatic High Pressure 2/2 ways bellows valve, customised 4 outlet 1/4" VCR

**AR 201 KF 40 15 mb**  
Check valve 15 mb, KF 40 outlet

**AR 214 MM 1/3 psi**  
Check valve 1/4" VCR M, 1/3 psi

**VM 214 MM**  
Knob 2/2 ways bellows valve 1/4" VCRM

**VM 214 TT double sealed stubs**  
Knob 2/2 ways bellows valve, double sealed

**VP 314 MO C NF with IPS**  
Pneumatic 2/2 ways bellows customised valve, 3 outlets VCR, with electrical Indicator Position Switch

**VP 414 NF VT NF FFFF**  
4/2 ways mixed actuators bellows valve, 1/4" VCR F

**MVM 212 TT 1/4" VCR F Purge port**  
Knob diaphragm 2/2 ways valve 1/2"

**VP HT 212 NF SP**

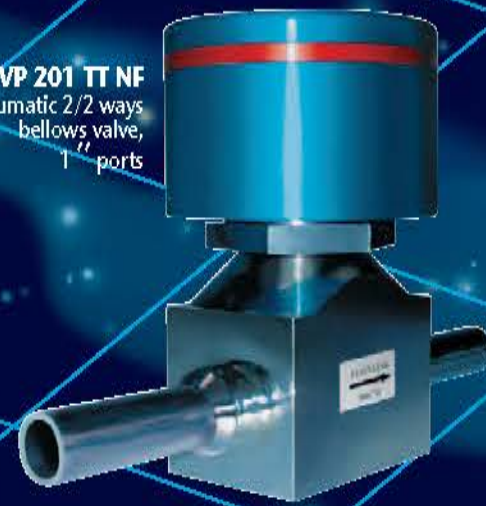

**VL 214 MM secured**  
Toggle 2/2 ways bellows valve, secured 1/4" VCR M

**VP THT 312 NONF**

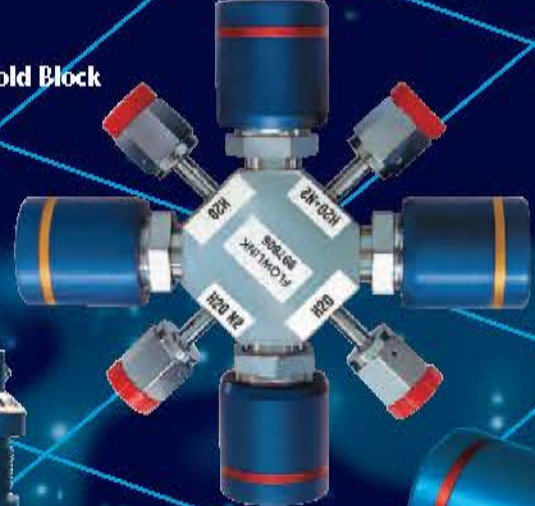

**VM 201 TT VCR M**  
Knob 2/2 ways bellows valve, 1" ports

**VP 201 TT NF**  
Pneumatic 2/2 ways bellows valve, 1" ports

**Manifold Block**

**AR 214 MM 1/3 psi**  
Check valve 1/4" VCR M, 1/3 psi

**VT 314 Special with locked toggle**

**VP 214 NF NF**  
Manifold block/pneumatic 2/2 ways valves, 1/4" block
